

**St. Vincent de Paul School**  
**Summer Reading List**  
Intermediate Grades

Besides being enjoyable, summer reading is very important in order to maintain and strengthen your reading skills. I hope all of you take advantage of the wonderful summer programs that the public libraries have to offer. Below is a list of books recommended by the King County Public Library. I have also attached a page for you to keep track of the various books you read over the summer. Students who return their list to me by Friday, September 9<sup>th</sup> will receive an award during our school assembly in October.

Happy Reading!  
Mrs. Schuler
