Dear Parents,

Wow! What a week! Snow, snow, snow! If you know me, you know how much I dread the “s” word! If you know me, you also know that I like lots of snow by 5 am so the call is easy to make. You must have been surprised when we called “no school” for Wednesday on Tuesday night before a flake had fallen. And the call to have school on Tuesday...not bad? At 5 am in the morning, each principal and/or superintendent can just make the best call they can at the time.

The Parents Association Meeting is Thursday, January 26. I hope you plan to attend. The topics for my presentation during the meeting are report cards and PowerSchool possibilities. We would like your feedback on report card proposals. Please join us for the meeting so we benefit from your ideas during the round table discussion.

Registration forms were sent home last week. I will do everything possible to assist current families who are in financial need with the registration fee and tuition assistance for next year. We do need expected enrollment numbers for budget planning and new registration planning, so please don't hesitate to call me if you have having any difficulty at this time.

We have attached the permission slip for the all school skating event on Tuesday, Jan. 31. We will be going in the morning this year from 9:30-11:30. We could use extra hands at 9:30 to help the little ones with skates. If you want to skate, please join us.

The Visitor Lunch is on Wednesday, Feb. 1. Be sure your child knows if he/she is having a visitor. I don't want any child to be in tears that day. There is no hot lunch on Visitor Lunch Day. Children and/or visitors need to bring a lunch.

Have I told you lately that your children make me smile every day? What a blessing they are!

With prayers of appreciation for St. Vincent's during Catholic Education Week,

Wanda
